WK1 TSW use a combination of drawing dictating and writing to compose opinion pieces in which they tell a reader the topic or the name of the book hey are writing and state an opinion of preferences about the topic or book

Objectives: TSW create a chart (Venn diagram, T-chart, word web) to compare and contrast the play with the fairy tale

TSW record their opinion about the fairy tale and/or the play citing their reasoning for their opinion

Activities:

Whole Group: TSW follow appropriate guidelines and discuss their likes/dislikes (favorite part) about the play, adding on to others ideas. TSW help compare/contrast the play to the fairy tale

Small Group: TSW work together to create a chart (graphic organizer) comparing the play to the tale. TSW share the completed charts with each other and add relevant observations.

Individual: TSW use diction, writing, illustrations to record their opinion about the play, story or both. They will be asked to support their opinion with reasoning.
