Lesson Plans

The Kentucky United Nations Assembly (KUNA) is a 3-day experiential learning conference in which students participate directly in simulated international diplomacy. KUNA offers students the opportunity to experience the richness of cultures from around the world, develop empathy, and hone their critical thinking skills while engaging with a wide variety of perspectives and global issues. As Ambassadors sharing the culture and diverse interests of UN member nations from around the world, students represent aspects of their country's culture and traditions with a Global Village Booth in the Global Village, Country Signs & Flags during the Parade of Nations, Cultural Attire from their respective nations, and cultural performances on our International Stage. Hebron will be representing Poland.
