Lesson Plans

Standards 4-ESS3-1 Energy- Obtain and combine information to describe that energy and fuels are derived from natural resources and their uses affect the environment.

Standards 4-ESS1-1 Earth and Space science- Identify evidence from patterns in rock formations to support changes over time.

The Historic Tram Tour will take you on an underground adventure rich in history, geology, mining, recycling, green building technology, and just simply

HUGE in scale!

As an added bonus students will get to complete an underground ropes course.
