

COMMUNITY RELATIONS

Visitors to the Schools

The Board encourages parents, professional educators, and others who have legitimate educational interests pertaining to the District's public school program to visit the schools. Persons visiting the District's school shall do so under the following guidelines:

1. Visits shall not interrupt the instructional program for students; i.e., teaching, testing, etc., and shall be scheduled in advance unless authorized by the Principal/designee; and
2. Visitors shall report immediately to the Principal's office upon entering the school to identify themselves and declare their purpose for visiting.

REGISTRANTS

No registrant, as defined in KRS 17.500, nor any person residing outside of Kentucky who would be required to register under KRS 17.510 if the person resided in Kentucky, shall be on the clearly defined grounds of a District school, except with the advance written permission of the Principal or the Board that has been given after full disclosure of the person's status under KRS 17.510 as a registrant or sex offender from another state and all registrant information as required in KRS 17.500.

A registrant is defined as:

1. Any person eighteen (18) years of age or older at the time of the offense or any youthful offender, as defined in KRS 600.020, who has committed:
 - a. A sex crime; or
 - b. A criminal offense against a victim who is a minor; or
2. Any person required to register under KRS 17.510; or
3. Any sexually violent predator; or
4. Any person whose sexual offense has been diverted pursuant to KRS 533.250, until the diversionary period is successfully completed.

A registrant who is the parent/legal guardian, or the person designated by the parent/legal guardian to have access to a student, must request and receive prior permission from the Principal to come onto school grounds. The Principal shall determine whether the requesting registrant is permitted to come onto school grounds for the following reasons:

1. To pick up or drop off their child each day.
2. To pick up the child who is injured or ill.
3. To confer with school staff concerning academic, disciplinary or placement issues involving the student, including matters required by federal or state law.
4. To attend a school activity, including athletic practices and competition, in which the student is a participant.
5. To vote when the school has been designated as a polling place.

Depending on the facts of the particular request, the Principal's response options may include, but are not be limited to the following:

- Requiring the registrant to provide additional information needed;
- Specifying check-in and check-out requirements;

Visitors to the Schools**REGISTRANTS (CONTINUED)**

- Requiring the registrant to be directly supervised by an individual designated by the Principal while on school grounds;
- Restricting the registrant to a designated location on school grounds;
- Limiting the time the registrant will be permitted to be on school grounds; and
- Denying the request to come onto school grounds.

The Principal shall notify the Superintendent/designee of each request from a registrant and the response made to the registrant. If questions arise about a request, the Principal shall consult with the Superintendent concerning requests from registrants, and the Superintendent may seek further advice from the Board Attorney.

For all other reasons and for all individuals making a request other than parent/legal guardian/designee, the Principal shall consult with the Superintendent as the executive agent of the Board before making a final determination.

CONDUCT/PROHIBITION ON RECORDING

All visitors to the schools must conduct themselves so as not to interfere with the daily operation of the school program.

Due to privacy concerns, and except for emergency situations, personally owned recording devices are not to be used to create video or audio recordings or to take pictures except with prior permission from the Principal/designee and the affected individual(s).

An exception may be made for events considered to be in the public arena (e.g. sporting events, academic competitions, or performances to which the general public is admitted) where the activity does not materially disrupt the event, prevent others from observing the event, or otherwise violate legal rights. School social events for students, activities sponsored by student clubs, and activities during the school day that are not open to the public are not considered to be in the public arena.

Such devices include, but are not limited to, personal cell phones and tablets.

USE OF TOBACCO

The use of any tobacco product, alternative nicotine product, or vapor product as defined in KRS 438.305 is prohibited twenty-four (24) hours per day, seven (7) days a week, in any building and on any property owned, operated or leased by the Board. This will apply to indoor and outdoor facilities, inside Board owned vehicles, stadium/athletic fields and during school-sponsored trips and activities. Activities occurring before, during and after school hours, on weekends and during vacation periods are included in this prohibition.
