I. Call to Order

Chairman Thornbury called the meeting to order at approximately 6:00 pm.

II. Discussion Items

A. Calendar

Dr. Kevin Pugh gave his thoughts on adjustments to the school calendar for next year including pushing back the starting date and shortening the Christmas break. DPP Frosty Davis explained that the calendar committee would be meeting in the near future and would need a board member representative. Members agreed to have Dr. Pugh as their representative and would formally approve at the regular meeting later this month.

B. Finance/Budget

Mrs. Ashley Brown had questions regarding how to understand the district financial reports presented in the board agenda each month. She mentioned getting a district roster of employees with their job descriptions along with their pay and where it comes from in the budget. Members wanted budget and financial reports to include percentages used and available. Discussion took place regarding the checks written to vendors for withholdings deducted from employee's checks. Mrs. Ratliff inquired if there was a way for members to see a list of those deduction amounts so members can verify that monies deducted from employee pay was the amount being sent to the various payroll vendors. Superintendent Green and Finance Officer Denise Clark explained the monthly financial summary information and a brief description of the various funds and how they are utilized.

C. Agenda Schedule

Chairman Thornbury asked that the regular monthly meeting agenda be published for members to review earlier. Members agreed to move the agenda schedule for members from Friday to Thursday before the Tuesday regular meetings.

D. Drug/Smokeless Tobacco

Chairman Thornbury shared information gained at the KSBA Conference relating to drug and smokeless tobacco prevention in the schools and to ensure that the canine unit from the City Police Department was being utilized for the district. Superintendent Green explained the use of the dog within the building and on the school grounds.

E. KSBA Conference

Chairman Thornbury noted that all KSBA Conference discussion items had been addressed under previous discussion topics.
