Gifted and Talented Students

DISTRICT PROVIDES

The Board shall provide a program of instruction with multiple service options for academically gifted and talented students in grades P4K-12 to meet the interests, needs, abilities and talents of students. Students shall be admitted to this program and receive services according to procedures developed by the Superintendent/designee in accordance with 704 KAR 3:285.

The District shall formally identify students in grades four through twelve (4-12) for participation in the District's Gifted and Talented ~~(Advance Program)~~ program. Students in the primary program (~~P1-P4~~ grades K-3) who display ~~gifted or talented~~ characteristics and behaviors that may be indicators of a high potential learner shall be selected through an informal process, be placed in a talent pool and receive services that allow continuous progress.

In compliance with applicable statutes and administrative regulations, the District shall provide appropriate multiple service options in an environment that addresses the abilities, interests and needs of students eligible for services in one (1) or more of the following categories: general intellectual ~~ability aptitude ability~~; specific academic aptitude; creative or divergent thinking; psychosocial or leadership ~~abilityskills~~; and visual or performing arts ability.

The definitions specified in 704 KAR 003:285 shall be used in the operation of the District's programs for gifted and talented students.

IDENTIFICATION/DIAGNOSIS AND ELIGIBILITY

In compliance with 704 KAR 003:285, the Superintendent/designee shall develop strategies to address identification and diagnosis of the strengths, gifted behaviors and talents of these students. Determination of eligibility for gifted and talented services shall be based on the student's individual needs, interests and abilities and shall be designed to address environmental and cultural factors that may contribute to the student being overlooked, such as whether the student is economically disadvantaged, ~~or~~ underachieving, struggles with maintaining appropriate behavior, or is a member of a racial or ethnic minority or has a disability.

The District's plan for the identification and diagnostic screening of ~~identifying~~ gifted and talented students shall:

1. Employ a balanced, multiple criteria multi-faceted approach, continuous and multiple long-term assessment, and early identification of strengths, gifted behaviors, and talents ~~and utilize on-going and long-term assessment to identify likely candidates for services on a continuous basis~~;
2. Be based on a variety of valid and reliable measures to include both informal and formal techniques, objective-based eligibility criteria, and other data specific to each category of giftedness, consistent with standards established by Kentucky Administrative Regulation;
3. Screen students for all areas of giftedness as defined by KRS 157.200.

Based on data gathered by the building level ~~Advance Program~~ Gifted and Talented coordinator or gifted education teacher, a gifted and talented identification and placement

Gifted and Talented Students**IDENTIFICATION/DIAGNOSIS AND ELIGIBILITY (CONTINUED)**

~~selection/placement~~ committee shall determine those students who are eligible for gifted education services and the level and type of the services to be provided. Determination of level and type of services provided to a student shall be subject to continuous assessment. This committee shall consist of the Principal or designee, the building level ~~Advance Program~~ Gifted education coordinator and/or the gifted education teacher, classroom teacher(s), teacher(s) of students with disabilities, counselor(s), and consulting professional(s), as appropriate.

Prior to selection or formal identification and placement of a student, the District shall obtain parental/guardian permission before administering an individual test to the student given as a follow-up to a test routinely administered to all students and used in formal identification. If it is determined that their child is eligible for gifted education services, parents/guardians also shall be notified, at least once annually, of the services included in the gifted and talented student services plan and shall receive a copy of the procedures to be followed should they wish to appeal the appropriateness of services.

SERVICES

Gifted and talented students shall be provided with a student services plan that meets requirements set out in administrative regulation.

Each school shall adjust its curriculum to meet the needs of gifted and talented students. Gifted and talented students shall be served in a manner that:

1. Extends learning beyond the standard curriculum;
2. Provides flexible curricular grouping and differentiated curriculum experiences commensurate with the student's interests, needs and abilities; and
3. Helps the student attain, to a high degree, the goals established by statute and the Board.

Procedures and strategies to implement this policy shall identify the following:

- A variety of appropriate options for grouping by ability, interest and/or need,
- Multiple service delivery options reflecting continuous progress through a logical sequence of learning,
- Means of obtaining parental input for use in determining appropriate services,
- A gifted and talented student services plan format that provides for matching a formally identified gifted student's interests, needs, and abilities to differentiated service options, and
- A plan for reporting to parents, at least twice per year, regarding their child's progress in services through the Gifted Student Services Plan (GSSP).

Gifted and Talented Students**SERVICES (CONTINUED)**

Neither the primary program, nor any grade level shall be served by only one (1) gifted education service option. Service delivery options may include:

- a) Various acceleration options (e.g., early exit from primary, grade skipping, content and curriculum in one (1) or more subjects from a higher grade level);
- b) Advanced placement and honors courses;
- c) Collaborative teaching and consultation services;
- d) Special counseling services;
- e) Differentiated study experiences for individuals and cluster groups in the regular classroom;
- f) Distance learning;
- g) Enrichment services during the school day (not extracurricular);
- h) Independent study;
- i) Mentorships;
- j) Resource services delivered in a pull-out classroom or other appropriate instructional setting;
- k) Seminars;
- l) Travel study options; or
- m) Special schools or self-contained classrooms, grades four (4) through twelve (12) only.

An additional service model for students identified with general intellectual ability and/or a specific academic aptitude as defined in 704 KAR 3:285, shall be the Advance Program, established and implemented by the District. Students shall be identified for the Advance Program through assessments of cognitive ability, teacher evaluation, Grade Point Average (GPA), exceptional characteristics, and standardized tests, and the criteria for acceptance into the Advance Program are separate from the requirements for identifying and diagnosing gifted and talented characteristics and behaviors.

PERSONNEL

The Superintendent shall appoint a Gifted/ and Talented (~~Advance Program~~) Coordinator who shall oversee the operation of the District's Gifted and Talented program and assist schools in implementing the provisions of this policy. The Gifted/ and Talented (~~Advance Program~~)

Coordinator shall oversee the expenditure of funds for gifted education to ensure they are used to provide direct services to identified students.

Teachers of gifted and talented students shall be encouraged to meet requirements for certificate endorsement as established in Kentucky Administrative Regulation. Through professional development activities, all teachers shall have opportunities to receive training on identifying and working with gifted and talented students.

Gifted and Talented Students**PROGRAM EVALUATION**

The Gifted/ and Talented (~~Advance Program~~) Coordinator shall coordinate the annual, on-going process of evaluating all aspects of the gifted education program and make recommendations for upgrading those areas found to be deficient. Data collected in the annual evaluation shall be used in the comprehensive improvement planning process, and results of the evaluation shall be reported to the Kentucky Department of Education, the SBDM council and the Board as needed and/or requested.

GRIEVANCES

Students or parents who wish to file a grievance or appeal concerning the following areas may do so under the process outlined in administrative procedures:

1. The District's process for selecting students for talent pool services;
2. The District's process for formal identification of gifted and talented students; or
3. The appropriateness and/or adequacy of talent pool services or services addressed in a formally identified student services plan.

This policy and the procedures to implement it shall be made available for public inspection.
