Sole Source Letter

To Whom It May Concern:

Wilson Language Training Corporation is the sole source of the Wilson Reading System®, Foundations®, Wilson Fluency®, and Just Words® component materials. Wilson Language Training Corporation has just one other product distributor that distributes a very limited amount of Wilson Reading System kits and sets. This product distributor does not supply component materials.

No other source exists for Wilson Reading System®, Foundations®, Wilson Fluency®, and Just Words® materials because Wilson Language Training Corporation or Barbara A. Wilson, its principal, owns and has not licensed the copyright of the materials.

Wilson Reading System®, Foundations®, Wilson Fluency®, and Just Words® are trademarked terms. Professional Development in the use of these products would require a trademark license from Wilson Language Training Corporation. Therefore, there is no other source for Wilson Professional Development except through the Wilson Language Training Corporation or an affiliated organization.
