

SSBIH Revision Committee Meeting

March 11th, 2019

Thank you Principal Newman
for allowing us to use your
space!

Thanks to all of you for being with
us this evening!

Greetings & Intros

We must maintain perspective and focus

Remain student centered

Listen to understand

Respect all opinions

Agree to disagree, we will disagree 😊

How do we make decisions?

We will:

- Consider research
 - Peer-reviewed, current
- Refer to exemplars
- Talk with practitioners
- Listen to experts
- Review data
- Examine context
- Compromise

We will NOT:

- Use personal opinion
- Suggest solutions that are not supported by data or research
- Fail to consider impact
- Share the views or work of members outside of the committee
- Forget that the Board has the power to accept or reject our changes

Debrief

Are there items your Work Group Needs?

Are there any laws or statutory items we need to research?

Looking ahead: April 11th, 2019 @ Waggener HS

Agenda:

- *Take today's work and share drafts and products with your role group, and gather feedback.

- *Our next meeting will be the three new Work Group sessions mentioned earlier this evening. Be thinking about which one you would like to join.

- *Scheduling another meeting on .

- * Your attendance is vital, please plan to attend.

Questions

- If you have questions about anything not covered this evening, about the process, please write it on a post it note and add to the follow-up parking lot.
- Please include your name and email if you want an individual response. If it is something for the whole group, I will include it in the follow-up Q and A email to all members.
