Geotab Demo Program

Thank you for choosing Enterprise Fleet Management (EFM) Mobile Resource Manager (MRM) V2 with Geotab. The below outlines the details of the 30-day trial/demo program:

- Equipment cost is FREE during the 30-day trial. At the end of the period the <u>equipment must be returned or you will be charged $99 per device</u>
  - There is a 10 day grace period (calendar days) before the equipment will be billed
  - Demo devices must be returned whether you move forward with Geotab or not
  - If you decide to move forward with Geotab then we will issue you all new equipment that comes with a 1 year warranty
- There is no monthly cost for the network during the 30-day trial period
- Strategic Telecom Solutions (STS) will ship the devices and provide the necessary training and set up requirements for the trial
- At the conclusion of the trial, Sprint and EFM master terms must be signed in order to obtain Geotab devices to your fleet of vehicles

By signing this document you agree to the above program, and that EFM is authorized to bill you for any demo devices not returned within 10 calendar days after the end of the trial period.
