Re: Board Agenda Item – SealPro Coatings - Parking Lot Sealing & Striping  
2<sup>nd</sup> & Final Renewal

The Department of Facilities requests permission to renew the contract with SealPro Coatings for parking lot sealing and striping services for the 2019-20 fiscal year. This will be the 2<sup>nd</sup> and final renewal option for the current contract.

The facilities on the rotation for parking lot sealing and striping are North Bullitt High, Hebron Middle, Crossroads Elementary, Overdale Elementary and Brooks Elementary. Funding has been allocated in 0491 – Asphalt Resurfacing/Striping in the amount of \$58,005.00.

I recommend the Board renew the contract with SealPro Coatings for the parking lot sealing and striping services.
