For
Excellence

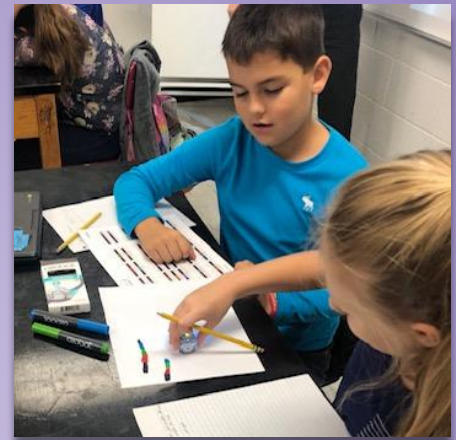

ACADEMIC GOALS

- 5 Star Rating
- Reduce achievement gaps
- Novice reduction

GAP

SFES has increased the intentional focus on gap population and novice reduction. Based on KPREP data, considerable gains have been made within gap groups. Personalized learning through programs such as Summit, have helped to identify the growth areas of individual students.

To help close the gap in math and science, SFES has implemented STEM education school wide as an effort to increase interest and success in science and math, especially within gap groups.

STUDENT GROWTH

Our goal is to provide students with a personalized learning experience and equip them with essential problem solving skills that can be applied to all subject areas.

- Intentional focus on incorporating literacy into all subject areas.
- Individualized instruction
- Computational Thinking- using STEM to promote growth mindset!
- Offering *Girls Who Drone* and *Girls Who Code* (to help close the gap in science and math)

COLLEGE AND CAREER READINESS

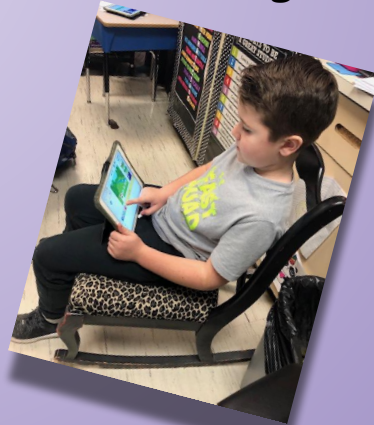

- Gear-Up has been instrumental in providing college/ career activities for our students.
- Career Fairs
- College Visits

8th grade visits Toyota

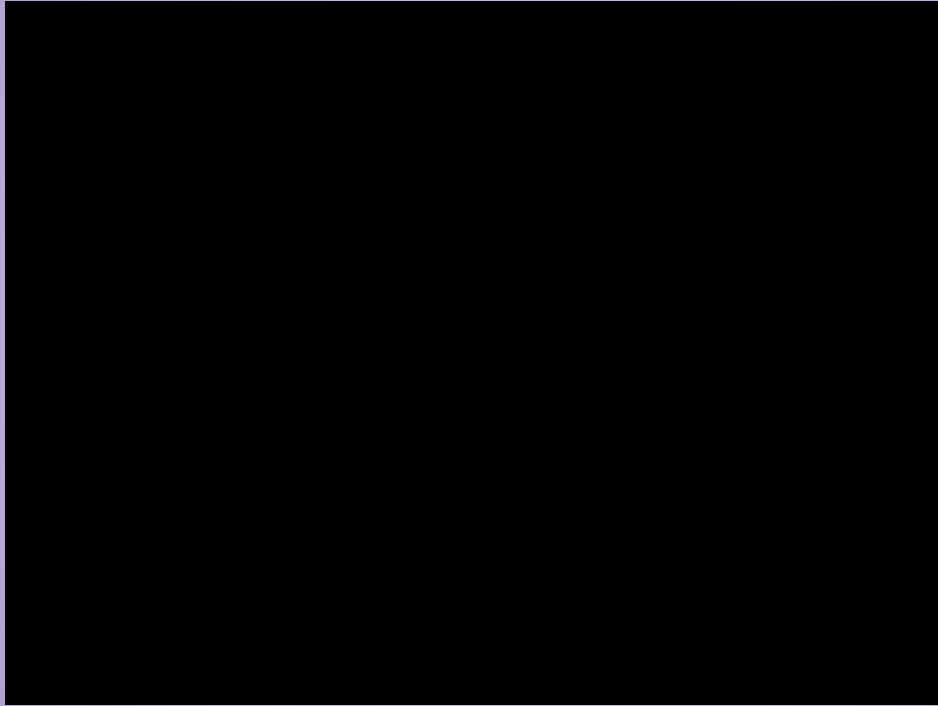

LITERACY

- Based on walkthrough data, reading, writing speaking, listening and language activities are occurring in lessons 94% of the time. Opportunities for students to engage in conversations about reading, writing, speaking and listening happen over 80% of the time.
- Striving Readers Grant have helped to provide Scholastic magazines in various content areas in EVERY classroom.
- SR Grant has also provide quality literacy PD/ trainings for HS, K, and middle school literacy teachers.
