gotzoom:

Earlier this year Mr. Middleton attended a Superintendent's conference and found information on student loan servicing which he thought may be valuable to district employees. The program is "gotzoom" and they have partnered with PSST to offer this service to school districts. Basically the district will pass along to all employees a link to "gotzoom" where schools district associates and relatives with a current, past due to defaulted student loan may receive a student loan subsidy. The district will contract with "gotzoom" as a contact only service at no charge. Anyone receiving the subsidy will be required to pay fees to "gotzoom". We feel this could be of major value to those using the service. Contract approval is under new business.
