Athletic teams are on a four year uniform rotation per Title IX

Each team is given \$1500 from the athletic account. If there are additional costs incurred, it the responsibility of the coach to cover the difference.

If band were to be added to the rotation, I would recommend that \$1500 be allotted during the 2020, 2024, 2028 and 2032 school years. These funds would not be reported on yearly Title IX reporting but may be questioned during during KHSAA audits.
