Re: 2018-2019 Amended School Calendar

This is a request for the Board to approve the amended 2018-2019 school calendar. The requirements for the student instructional year, one thousand sixty-two (1,062) hours of instructional time for students delivered on one hundred seventy (170) student attendance days will be met as required by KRS 158.070(1)(f). The amended calendar will be submitted to the Kentucky Department of Education by June 30, as required by 702 KAR 7:140(2)(3).

As a result of inclement weather school was cancelled on November 15, December 5, January 30 and February 1. There was an emergency cancellation of school on March 7, 13 and 14 due to an insufficient number of substitute teachers. The make-up days for cancelled days are December 20, February 18, March 8, May 24, 28, 29, and 30. School was delayed two hours on January 31 for weather. The district is not required to make up the two hours missed as a result of student attendance day shortened due to emergency, less than five hours, as per 702 KAR 7:140(3)(2).

The last day for students is May 30 and closing day for teachers is May 31. June 3 is a Professional Development Day because a Professional Development Day built into the original 2018-2019 school calendar was used as a make-up day.

Please see the attached 2018-2019 amended school calendar.
