Mr. Bell, Ms. Keller

Voting no: NONE

**COMMUNICATIONS/
VISITORS AND
OPEN FORUM**

Patricia Kindle
1014 E. 7th Street
Hopkinsville, KY 42240
In re: Student Discipline Issue

PRESENTATIONS:

**GATEWAY ACADEMY/BREATHITT CENTER
RENOVATIONS/ADDITIONS**

Andrew Owens with Sherman, Carter, Barnhart Architects was present to provide an update on Gateway Academy/Breathitt Center Renovations and Additions. Mr. Owens updated the board on the work completed and what work is in progress and stated that the project is on schedule.

NURSES REPORT 3rd NINE WEEKS

Ms. Megan Kidd, Head Nurse, provided the 3rd nine weeks' nurses' report for the Board noting that 22,462 students had visited the nurses in the schools the 3rd nine weeks of the 2018-19 school year (a copy of which is attached and the terms of which are incorporated by reference.)

TRANSPORTATION UPDATE

Mr. Mike Brumley, Director of Transportation, was present to give the board an update on the Transportation Department.

He began the update with the sad news that one of his drivers died unexpectedly last week, giving condolences to her family.

Mr. Brumley stated he has a total of 96 bus routes, which is a decrease from 114 routes in the 2011-2012 school year. Those decreased routes were accomplished by redistricting. Mr. Brumley stated the department has enrolled 27 new drivers and of those 27 people, 18 passed the test and 16 are currently employed as bus drivers by the district. He stated when school is out on May 23, they will have traveled approximately two million miles this school year with no serious student injuries.

Mr. Brumley stated their full time payroll clerk retired this year after 27 years and they replaced the position with a 3 day per week part time employee for a savings of approximately \$25,000 per year. Mr. Brumley stated that total expenditures are down about \$100,000 to date and that is due to better pricing on items and working more efficiently. He stated their clean burn heating during the winter continues to save the department approximately \$15,000-\$18,000 per year. The fall 2017 conversion of a shop to a wash and paint bay has already saved the district \$80,000 in body repair to buses as they are making those repairs in house now.

Mr. Brumley stated he has researched the benefits of the district purchasing propane buses due to the savings it would allow in fuel. After reviewing all components (size of bus, fueling

unit, bus repairs, etc.) he feels it would not be in the best interest of the district to purchase propane buses at this time but is open to any suggestions the board may have.

INSTRUCTIONAL UPDATE: DIAGNOSTIC REVIEW RESULTS

Mary Ann Gemmill, Superintendent, was present to give the board an update on the Diagnostic Review Results of Freedom Elementary School and Martin Luther King, Jr. Elementary School.

Ms. Gemmill stated the district received the Diagnostic Review results from Kentucky Department of Education last week and the district now has 30 days to write an action plan in response to the feedback for improvement. Ms. Gemmill stated KDE found that both principals have great capacity to lead their schools and district leadership has great capacity to work with both schools through a school improvement process. She stated one school had two improvement priorities and one school had three priorities. The district will own all those priorities and work with the schools to improve upon them. Ms. Gemmill stated they are already working on an action plan for improvement and will roll that out at the May board meeting. She also stated each school will be given \$230,000 to assist on the improvement of student achievement.

COMMITTEE REPORTS

Mr. Clark

Mr. Clark stated he spoke with State Representative Dossett before the meeting and they talked about funding issues with public schools. Mr. Clark brought up the fact that regulations mandated by the State but are unfunded or very expensive for districts to afford. Mr. Dossett would like the district to sit down and make a list of such mandates that districts are struggling to fund so that he can review legislation regarding them.

Mr. Bell

Mr. Bell stated the Studer word of the month is Diversified. Mr. Bell stated the reason why diversity helps our school district is that it makes it a place that is open for different opinions and backgrounds. He stated most of all we do things together. Mr. Bell stated he is still a part of a book study “Revitalized Community” and some things in the book mirror Hopkinsville. He hopes to see some positive things happening in Hopkinsville.

Mr. Moore

Mr. Moore stated the PBIS Committee did not meet today due to an audit being conducted.

**#247 DISCUSSION/

Mr. Moore, Ms. Keller

Voting No: NONE

**INDIVIDUAL BOARD
MEMBER AND
SUPERINTENDENT
COMMENTS**

MR. BELL

Mr. Bell stated it isn't how you start, it's how you finish! He stated we are close to the end of the school year and he is on the speaking circuit for KPREP testing at many different schools. He hopes children don't get too focused on the test, but instead get focused on doing their very best. He stated it is a shame that some children do well throughout the year, but not on the KPREP test, which is not because teachers don't prepare them. He gave a shout out to teachers as he knows it is a stressful time of year. Mr. Bell stated he is looking forward to the test results in the fall, but understands no matter what the results are, it is never a true representation of the stellar work completed in the district. Mr. Bell also asked Ms. Gemmill to look into modifying personnel schedules during the summer to help district savings (i.e. four day work week).

MS. HAYES

Ms. Hayes thanked everyone for their patience with her during health concerns for her spouse.

MR. CLARK

Mr. Clark attended the 2019 Elementary All-County Choir and he said it was excellent. He thanked Lori Boehman for her work. He also attended the KSBA Board Member Training in February where he completed a training regarding General Funding. He would like to point out that people like to talk about how much money was in Christian County's General Fund 10 years ago, however, student funding is down 16% from 2008 to present.

MR. MOORE

Mr. Moore stated his first year on the board has been very exciting to say the least. He thanked the principals, teachers, aides, cafeteria works and every employee for what they do. He stated just the amount of meals we serve on a daily basis is astonishing. Mr. Moore stated he will be praying for Ms. Caples

and Ms. Stinson. The money they will receive to improve their schools is great and it gives them opportunity for additional resources. Mr. Moore hopes that Mr. Herndon's health is returned to 100 percent. Mr. Moore appreciates the support that the board has given him in his first year.

MS. KELLER

Ms. Keller congratulated all the student athletes that have began signing college letters of intent. This is a very exciting time for them and their families. She also congratulated Gateway Robotics teams who have done an outstanding job and will be representing the district in the Worlds. She also congratulated Mayor's and Governor's Scholars. Ms. Keller asked that everyone support Project Graduation and the Rotary Auction. Ms. Keller also asked for community support during their nickel campaign.

MS. GEMMILL

Ms. Gemmill thanked the board for their support. She needed to know the direction they wanted to take and she appreciates their thoughts and actions. She wants to be ready to do whatever the board may wish and give it everything she has for a campaign. Ms. Gemmill stated they will continue to work with the community in every way possible as they will need everyone's help.

#262 ADJOURN

Motion by Mr. Bell, second by Mr. Clark, to Adjourn
(7:56 P.M.)

Voting yes: Mr. Bell, Mr. Clark, Mr. Moore,
Ms. Hayes, Ms. Keller
