RE: Acceptance of Bids: Grass Mowing and Trimming Services – Districtwide

The Department of Facilities received and opened bids on April 16, 2019 for grass mowing and trimming services for the district. Of the eight bid packets that were either mailed or picked up, four responsive bids were submitted. Bids were reviewed using three scoring options: individual locations, areas of the county and the entire district.

After review, the best option for the district is to accept the bids from Bischoff Lawn Maintenance for the entire district. The recommendation is based on the district's review of the bids and consultation with Buckman & Farris PSC. The cost per cut for grass mowing and trimming services is \$6,980.00. Attached is an itemized breakdown of the bid tabulations showing the responsive bidders and pricing along with the bid scoring. Funding has been allocated in 0424 - Contracted Grounds Services.

I recommend the Board accept the bid from Bischoff Lawn Maintenance to perform grass mowing and trimming services districtwide.

Attachment: Bid Tabulation

B. Sytton
