Re: Contract Approval

I have attached a memo from Ms. Britt, to enter an agreement with Verizon for a Mifi Hotspot for North Bullitt High School. This will allow the school internet access in case of an emergency. I would like to request Board Approval, and for Mrs. Atherton to sign the agreement.

If you have any questions, please let me know.

Re: Contract Approval

This memo is to request approval to enter into a contract with Verizon for the purpose of securing a Mifi Hotspots for North Bullitt High School Administration & Athletics.

Rationale

Safety and Security: In the event that North Bullitt High School Administration should need to evacuate, there will be a need to have secure access to the Infinite Campus to verify parent information and to disseminate information in a timely manner.

Network Outage: In the event of a network outage, front office staff will have access to internal information by being able to connect to a secure network.

Secure Connection: When operating in an official capacity away from school grounds, having secure access will provide increased and enhanced network security in lieu of being connected to a public wifi and jeopardizing secure information.

Funding

North Bullitt High School will fund this expense from Title I funds: Principal's Office.
