Re: Nurse Service Contract

Please present these contracts between Independent Nurse Contractors and the Bullitt County Board of Education to board members for consideration at the May 20, 2019 Board Meeting. A blanket agreement for the 2019-2020 school year is needed to meet all requests for health services in timely manner. These guidelines are set within KRS 156.502 (Health Services in School Setting). The contracts are developed within the scope of practice for an RN and LPN licensure.

The cost of service will not exceed the budget allowance as designated in the health service budget for the upcoming school year.
