Hi Ben: As we have for many summers, I would like to request the use of 1-2 school buses and driver(s), for our summer day camp trips(2-3 per week), between May 28 and July 26. All trips would be very similar to last years. Henderson/Owensboro and Evansville.

Would like an 84 passenger bus for our Henderson trips and I'm aware of the requirement for 2 regular size buses when we travel outside of Henderson County.

Thanks

Sheldon Booze, Ex. Dir.
