KENTUCKY DEPARTMENT OF EDUCATION TERMS AND CONDITIONS

Choice of Law and Forum

The laws of the Commonwealth of Kentucky shall govern all questions as to the execution, validity, interpretation, construction, and performance of this agreement or any of its terms.

Any suit, action or other proceeding regarding the execution, validity, interpretation, construction, or performance of this agreement shall be filed in the Franklin Circuit Court of the Commonwealth of Kentucky.

Requirements for Reporting to Kentucky Teachers Retirement System:

Please note that, if contractor is a current retiree of the Kentucky Teachers Retirement System (KTRS), or proposes to use a current or potential retiree of KTRS to perform any work under any contract, this may have an adverse impact upon retirement benefits for that retiree. This would occur, regardless of whether a contract is awarded to the individual directly, or to another legal entity for which the individual works.

Accordingly, if a contractor proposes to use such individuals to perform the work, the contractor is strongly encouraged to check with KTRS to determine what requirements apply, before entering into a contract. The KTRS help desk number is 1-800-618-1687.

Furthermore, as a condition of any successful contract award, any information on such retirees (as defined and required by KTRS) must be submitted prior to any services being performed by said individuals under this contract.

As a firm condition of this contract, any contractor agrees to be financially responsible for any failure by such current or potential retirees to properly report information concerning their retirement status, during the life of any contract awarded.

Federal Funding Accountability and Transparency Act Compliance (applicable for federal)

For agreements that include Federal funds, the Second Party shall comply with the Federal Funding Accountability and Transparency Act (FFATA or Transparency Act - P.L.109-282, as amended by section 6202(a) of P.L. 110-252), including registration of a Data Universal Numbering System (DUNS) identifier number if the amount of Federal funds awarded to the Second Party is \$25,000 or more. Details on how to register and acquire a DUNS number are available at <http://fedgov.dnb.com/webform>, and are free for all entities required to register for grant awards under these provisions. The Second Party must disclose to KDE the names of the top five executives and total compensation to each, if:

*More than 80% of the Second Party's annual gross revenues originate from the federal government (directly or indirectly through the state), and those revenues are greater than \$25,000,000 annually, and

*Compensation information is not already available to the public.

This contract authorizes funding for the contract period based upon the availability of funds.
