A public hearing was held at the Bardstown Independent Board Office on 4/11/2019, at 5:30 PM (local time). The purpose of the public hearing was to propose a new District Facility Plan developed by the Bardstown Ind. Schools Local Planning Committee. The Local Planning Committee (LPC) voted 16-0 in favor of the proposed new plan and the Board voted 5-0 to approve the new plan.

There were (4) individual(s) in attendance. Mr. Todd Hood, served as the locally-appointed hearing officer. Patricia Boone, James Critchley, Emerson Ballard, and Kacie Goode were present.

COMMENTS

Todd Hood called the public hearing to order. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. All considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed new District Facility Plan which includes; New Construction of an Elementary School, Major renovations/additions to educational facilities, major renovations to include sports turf for football/soccer, band, physical education. Construct privacy berms on new Templin property with plantings as needed. Construct 4 standard classrooms to the primary school. Major renovation to the central office to include roof replacement and replacing existing fascia of the building.

The floor was opened to those who wished to make a statement. Three individuals asked to speak. The first was ok with the plan and just wanted to make sure we were not looking to sale the property. Another just wanted some clarification on what type of school and grade configuration. The last understood the need for a school but wanted to make sure we didn't have to raise taxes to have the funds to build the school.

RECOMMENDATIONS

It is recommended that the new District Facility Plan developed by the Bardstown Independent Schools Local Planning Committee and adopted by the Bardstown Independent Board of Education be approved as the District Facility Plan for the Bardstown Independent School District. A copy of the new plan is attached.

Respectfully submitted,

Todd Hood: Director of Facilities
