A public hearing was held at the Campbellsville Board of Education on April 29, 2019, at 5:30 pm (local time). The purpose of the public hearing was to propose a new District Facility Plan developed by the Campbellsville Independent Local Planning Committee. There were 13 individual(s) in attendance. Kirby Smith, Superintendent, served as the locally-appointed hearing officer. All building principals, facility director, 3 parents and 2 children, as well as 2 community members were present.

COMMENTS

Chris Kidwell, LPC Chair, called the public hearing to order. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. All considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed new District Facility Plan which includes; Campbellsville Middle School as the #1 priority and the greatest need in the district with the older part of the building being built in 1936.

The floor was opened to those who wished to make a statement. No one at the public hearing wished to speak and no written letters or communication was submitted to the committee to be read.

RECOMMENDATIONS

It is recommended that the new District Facility Plan developed by the Campbellsville Independent Local Planning Committee and adopted by the Campbellsville Independent Board of Education be approved as the District Facility Plan for the Campbellsville Independent School District. A copy of the new plan is attached.

Respectfully submitted,
