

**Curriculum, Instruction, and Assessment
Board Agenda
Wednesday, May 22, 2019**

PROFESSIONAL DEVELOPMENT

- The tentative Professional Learning Plan for 2018 – 2019 is attached.
- Teachers will be coming in over the summer to align curriculum documents and develop/refine assessments.
- I am working with the Great Book Foundation to host another Junior Great Books Training at Dayton Schools. This training will be taking place on July 29 and July 30.

ASSESSMENT

- KPREP testing has been completed and the testing materials have been shipped!

CURRICULUM/INSTRUCTION

- KDE has approved new ELA and Math standards. Because of this, a focus of professional learning will once again be revising/updating curriculum documents.
- Refining curriculum is a continuous process. A focus again next year for early release will be analyzing summative assessments during early release
