Student Achievement Report/Data and School Improvement Planning

State field tests for sophomores, upcoming ACT, upcoming KPREP, March ACT scores, CERT 8th grade

Sophomores took state field tests Friday – means nothing, state establishing criteria for future

ACT on Wed (combo of sophomores and juniors)

KPREP coming up in May

CERT - 8th grade is being pulled off testing schedule (using CASE and KPrep data instead for 9th gr RTI placement)

Bylaw or Policy Review / Readings/ Adoption:

a. Possible high school credits for 8th grade students for next year?

Conversation that we can continue with the new principle since we decided that would be a decision for next year.

b. Parent involvement policy

Have the rough draft with our last changes; and the noted up copy behind it. Next month we can approve corrections but we need to look through and make sure everything has been added.

c. Cords for years vs. credits?... Policy 8.04

Changed the wording in policy to remove “years” to “credits” to cover those students earning a Spanish credit in 8th grade

Instead of “Military Ready” it will read “A student has joined a branch of the US military”

Remove last sentence saying “Below is a list of their time in high school.”

Change Hoxworth Cord to say students who have donated TWO times instead of 4 times.

Ruby motioned, Bushle seconded it

d. Math elective vs math credit for Alg in 8th grade?... Policies 1.05 and 1.03

Need to clarify laws: Do you need 4 HS years of math or 4 HS math credits

Need to pull Rick in to check rules before deciding

New Business

a. SBDM Elections –

Parent member election results and upcoming teacher member election

Erin Goetz; Cheryl Sphar, Ed Crutchleo, Brad Campbell running for teacher spot; both parents re-elected.

b. Posted positions/hiring

K scheduling 4 interviews for 30 min each (2 business, 2 math)

Old Business

a. Master schedule

Mr. K and Mr. Wolf have been working on this new FLEX schedule; 90% done; have been scheduling kids in to make sure it work; just not finished 100% yet

Budget Report

The budget report was prepared by Mrs. Brandenburg. Remaining dollars have been allocated so we are zeroed out for the year.

Deadlines and Calendar Planning

a. May 1 — Final staffing allocation due to the council

Still do not have final word from Jay but not anticipating that we will get that allocation back. If we get it back there would be a reason for it and that would essentially determine where that allocation goes.

Questions/Comments prior to adjournment:

Gonzalez comments:

She would like us to relook at Committee Reports Procedures for next year.

Jen: brought up as a new parent member, she doesn't know who all of the teachers are and she suggested new members being introduced to all teachers, MS and HS

Adjournment

Buschle made a motion to adjourn the meeting at 5:06 pm. Seconded by Rubemeyer. Motion carried.
