### COMMISSIONER'S RECOMMENDATION:

The Commissioner recommends that the Kentucky Board of Education (KBE) approve the proposed new DFPS for Allen County, Bardstown Independent, Bracken County, Bullitt County, Campbellsville Independent, Casey County, Cumberland County, Edmonson County, Estill County, Frankfort Independent, Fulton Independent, Green County, Hart County, Hopkins County, Mason County, Middlesboro Independent, Paris Independent, Rockcastle County, Science Hill Independent, Spencer County, West Point Independent and Whitley County School Districts in accordance with 702 KAR 4:180. ### APPLICABLE STATUTE OR REGULATION:

KRS 157.420 (4), KRS 157.622, KRS 157.620, 702 KAR 4:180

### BACKGROUND:

*Existing Policy:* In accordance with 702 KAR 4:180, each district must develop a local DFP at the completion of a four-year cycle or at the completion of an eight-year cycle (maximum) if the district applied for and was granted a waiver.

*Summary of Issue:* The facilities planning process provides a DFP Plan that contains an assessment of the school district's attributes and operations including the district profile, demographic information, facility conditions, and finances (cost of delivery of services). Local

school districts are required to select a Local Planning Committee (LPC) to develop a DFP outlining capital construction priorities.

Information reviewed in developing the DFP provides the LPC with a comprehensive view of program and facility needs required to provide an equitable educational opportunity. KDE staff provides the process to be undertaken by the district in an orientation package. Information for KDE review is then developed by the LPC and its consultants.

The LPC, by virtue of its makeup, encourages both community involvement and diversity of ideas. The LPC recommends a DFP to the local board. If the local board does not approve the DFP, it goes back to the LPC for further refinement. However, a DFP submitted for approval by the KBE is the final decision of the local board of education and may or may not reflect the determinations of the LPC.

The proposed submitted DFPs for Allen County, Bardstown Independent, Bracken County, Bullitt County, Campbellsville Independent, Casey County, Cumberland County, Edmonson County, Estill County, Frankfort Independent, Fulton Independent, Green County, Hart County, Hopkins County, Mason County, Middlesboro Independent, Paris Independent, Rockcastle County, Science Hill Independent, Spencer County, West Point Independent and Whitley County were recommended by the LPCs and approved by the local boards of education. Attached with each DFP and hearing report are enrollment projections and enrollment histories with non-resident student data for the district.

*Budget Impact:* Approval of these DFPs has no budget impact on state funds.

### **GROUPS CONSULTED AND BRIEF SUMMARY OF RESPONSES:**

Public forums and a local public hearing were held in the school districts with no significant issues noted. The plans were approved by the local planning committees and school boards of the districts.
