Re: Request to Surplus Buses

The request is to surplus the following buses:

Bus - 412 Vin: 4UZAAXDC05CN38682

Bus - 684 Vin: 4DRBUAAN17A364182

Bus - 901 Vin: 4DRBUAAN69A123026

These buses were buses that we received insurance settlement money on and bought back from insurance company. We have since stripped all useable parts off these buses and would like to sell at auction.
