RE: Agenda Item for the June 17 Board Meeting
New Roof at Old Mill Elementary

At this time I am asking the Board's approval to advertise for bids to replace the roof at Old Mill Elementary School. This will be a complete removal of the old roof material and new spray foam will be installed similar to what was done at Bullitt Lick Middle School. The estimated cost for this project is \$350,000.00 and that include Architect fees.

I recommend the Board approve this request. Should you need additional information, please feel free to contact me at 502-921-3659.
