RE: Item for June Board Agenda - Requests to Reduce Contracts

The following BCPS bus drivers are requesting a reduction of their contracts by four days for the 2019-2020 school year. They are asking that four planning days be removed from their contracts: October 7, January 6, April 6, and May 19 (closing day).

- Bradford Connell
- Barney Marshall
- Kina Vanmeter
- Mari Welty
- Melissa Yount

By way of this request to the Board, these employees signify that they are aware and accept any ramifications to their CERS retirement account.

I recommend approval of the requests to reduce their contracts for the 2019-2020 school year. If you have any questions or suggestions, please feel free to contact me.
