RE: Item for June Board Agenda

Attached please find the Contract between PeopleAdmin and the Bullitt County Board of Education. PeopleAdmin provides an electronic system for maintaining evaluations of all employees. TalentEd Perform is a natural extension of our online application system TalentEd Recruit and Hire and TalentEd Records, our electronic records. A description and highlights are below.

TalentEd Perform

Secure, organized, and efficient K-12 staff evaluation data and documentation is essential, yet managing the varied processes and forms is burdensome. TalentEd Perform simplifies those tasks with fully customizable smart digital storage, e-forms, calculations, and access to crucial data that is electronically searchable, always accessible, and streamlined so it's not a chore.

Solution Highlights

- Perform combines observations, walk-throughs, student achievement data, professional learning community, artifacts, administrative response, self-evaluation, and peer feedback so there is a holistic picture of a teacher's impact on students.
- Track tasks and activity and see the evaluation status of any employee in real-time.
- Perform is a centralized location to review and approve documents, making it easy for supervisors to complete evaluations.
- Perform supports rubric-driven evaluations which simplify the complex task of evaluating teaching by defining a combination of desired knowledge, skills, and disposition characteristics.
- Perform turns evaluation data into action by guiding personalized professional development.

Becky Sexton

- Overall checklist/reporting views for user-friendly Principal and Employee experience.
- Perform comes with preconfigured reports to help get information quickly or create custom reports to meet your unique needs. Graphical reports can increase insights and guide data-driven decision making around learning opportunities and overall performance trends.
- Workflows so documents can go through chain for completion electronically.

The annual subscription fee is \$18,999.55 with a one-time cost of \$5499.70 for the on-site training and implementation phase.

I recommend that we enter into this contract and begin implementation for the 2019-2020 school year. If you have any questions or suggestions, please feel free to contact me.
