### MEMORANDUM

TO: Jesse Bacon, Superintendent *JB*  
Becky Sexton, Assistant Superintendent of Support Services

FROM: Jennifer Wooley, Director of Human Resources *JW*

DATE: June 4, 2019

RE: Item for June Board Agenda – Board Policy 03.221

We ask the Board to waive the Prior Experience section of Policy 03.221 for an additional year for school bus drivers only. We ask to allow experienced school bus drivers to bring in up to 10 years of experience credit rather than three years. This is not to be retroactive pay for hours already worked, but a modified placement on the salary schedule for time worked after the passage of the temporary policy waiver.

If you have any questions regarding these recommendations, please feel free to contact me.

Memo

To: Jesse Bacon, Superintendent

From: Tony Roth, Director of Transportation *TR*

Date: June 2, 2019

Re: Board Policy 03.221 – Bus Drivers (10 Years Experience)

*JW*  
*6/4/19*

I am requesting the Board to waive for an additional school year Board Policy 03.221 to allow experienced school bus drivers to bring in up to ten (10) years of experience credit rather than three years through June 30, 2020.

Allowing school bus drivers to bring up to ten (10) years of experience will assist us with recruiting experienced school bus drivers. We currently have drivers from nearby districts and from out of state applying for positions to begin the 2019-20 school year.

Due to the continued driver shortage issues for our district and across the state, allowing experienced drivers to bring up to ten (10) years of experience can only benefit our efforts.
