**RE: MEMORANDUM OF UNDERSTANDING BETWEEN THE  
BOONE COUNTY SCHOOLS AND THE BOONE COUNTY EARLY  
LEARNING FUND PARTNERS**

Since 2002, the **Boone County Success by 6** Partners have been working together to engage the community in strengthening families and improving the quality of early child development, care and education. Our successful collaborative partnership has made a difference in the lives of many Boone County families. However we have a lot of work to do to ensure that all children are ready for school.

In April 2019, Boone County Success by 6 transitioned to become the Boone County Early Learning Fund. The purpose of the Fund is to continue our successful collaborative partnership allowing us to focus on the whole child and families, while increasing the school readiness of Boone County Children.

I have attached a copy of Memorandum of Understanding between the Boone County Schools and the Boone County Early Learning Fund, a copy of our By-Laws and the letter that was disseminated to our BCSB 6 partners for your review.

**I recommend the board approve the Memorandum of Understanding, as Presented.**
