**RE: INTERAGENCY AGREEMENT BETWEEN MEBS AND  
ASSOCIATES AND THE BOONE COUNTY SCHOOLS 2019-2020**

Each day as we work with children and families we observe the mental health needs of our students of all ages. We have been able to provide a variety of services and continue to need more.

Mebs and Associates, LLC began providing behavioral health services almost twenty years ago, providing children and their families with evidence-based, behavioral health and substance abuse wrap-around services in the Northern KY area. They continue to offer these intensive services, along with others including outpatient psychotherapy (individual and family), developmental and intellectual testing, and behavior interventions.

I have attached a copy of the Interagency Agreement for your reference.

**I recommend the board approve the Interagency Agreement, as presented**
