DR. JAMES FLYNN
SUPERINTENDENT

June 10, 2019

Dear Board Members,

I am requesting board approval to continue utilizing Commonwealth Pest Control as our district outsource provider as their current contract expires at end of June 2019.

For the record, we sent bid packets to 17 companies – every company we could find in this county and every county touching our county to attempt to gather best pricing.

Commonwealth is our current provider and has done an excellent job for the past 6 years. They have taken on spaces that are new to the district with no increase in price and their current bid is the same pricing as the last 6 years.

Equally important, their after hour additional services, (call ins) are listed at no charge regardless of service required / or none.

I appreciate your consideration and subsequent approval.

Respectfully submitted,
Robert White
Operations Manager
