Subject: SIMPSON COUNTY BOARD OF EDUCATION QUOTES

Attached are the quotes for the upcoming renewal. The property coverage has increased by \$3,022,324. Also the new buses are included in this. On the Law Enforcement liability, this coverage is for SRO only. This does not cover teachers that are armed. If this coverage is desired there are questionnaires that have to be completed and this has to be approved by home office. I did ask what premium we would be looking at and they said that possibly \$650 per armed staff/gun. If this is something that the school would like coverage on, please let me know I can get the questionnaires to you. Any questions, let me know.

Thanks!
