Re: Memory plaque and garden for Mrs. Tiffany Barnes Gray

Date: June 12, 2019

The faculty/staff of Lincoln Elementary would like to purchase a plaque and plant roses in memory of our dear friend and colleague, Tiffany Gray. Mr. Delk and Mr. White have been consulted to provide guidance to ensure all board policies are followed. It is very important to us that we remember the impact that she had on the LES community and her students.
