

The Kentucky Governor's Scholars Program (GSP) has requested assistance from BCPS for its Bellarmine Campus student transportation during the 5-week program this summer. GSP operates 3 summer 5-week, on-campus educational opportunities for approximately 1,050 students at each campus. These opportunities include field trips, such as those outlined below, to enhance the students' exposure to and understanding of Kentucky's heritage and economy. Juniors from nearly every county in the state attend these programs and Bullitt County is always strongly represented with several students in attendance this year. The 35 year history of GSP has produced more than 30,000 Governor's Scholars alumni. Virtually all Scholars become college students and all Kentucky colleges and universities offer GSP graduates special scholarship opportunities, some in full.

The request is as follows:

- to have 8 buses for Saturday, July 13 - All buses going to Centre College in Danville, KY for the entire day (depart Bellarmine at 8am - return at 9pm).
- to cover 8 buses for Saturday, July 20 - Each bus going to a different educational/tourist location in various parts of the state (early morning - late afternoon, times vary based on distance).
- single bus trips confirmed that we are hoping to cover as well (times are approximate):

1) Wednesday, July 3 - East Kentucky Power Winchester (depart Bellarmine at 8am - return at 5pm)

2) Wednesday, July 10 - Toyota/Georgetown College (depart Bellarmine at 7am - return at 9pm)

3) Wednesday, July 17 - Lexmark/UK (depart Bellarmine at 7:30am - return at 5pm)

- Other individual trips may be requested and will be approved by Ms. Sexton and Mr. Roth as appropriate.

The approval is contingent upon satisfactory determination of driver availability, contract approval by counsel, and proper insurance certification.
