The parties acknowledge that the foregoing does not require Business Associate to report attempted unauthorized access that results in Business Associate: (i) investigating but merely reviewing and/or noting the attempt, but rather requires notification only when such attempted unauthorized access results in Business Associate conducting a material and full-scale investigation (a "Material Attempt"); and (ii) continuously reviewing, updating and modifying its security measures to guard against unauthorized access to its systems, but rather requires notification only when a Material Attempt results in significant modifications to Business Associate's security measures in order to prevent such Material Attempt in the future.
- l. Business Associate agrees to use appropriate administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the electronic protected health information (EPHI) that it creates, receives, maintains, or transmits on behalf of the covered entity as required by Subpart C of 45 CFR.

- m. Business Associate agrees that any EPHI it acquires, maintains or transmits will be maintained or transmitted in a manner that fits the definition of secure PHI as that term is defined by the American Recovery and Reinvestment Act of 2009 (ARRA) and any subsequent regulations or guidance from the Secretary of the Department of Health and Human Services (DHHS) promulgated under ARRA.

- o. Business Associate agrees to immediately notify the Covered Entity of any breach of unsecured PHI as that term is defined in the ARRA and any subsequent regulations and/or guidance from the Secretary of DHHS. Notice of such a breach shall include the identification of each individual whose unsecured protected health information has been, or is reasonably believed by the business associate to have been, accessed, acquired, or disclosed during such breach. Business Associate further agrees to make available in a reasonable time and manner any information needed by Covered Entity to respond to individuals' inquiries regarding said breach.
- p. Business Associate agrees to report to covered entity any use or disclosure of protected health information not provided for by the Agreement of which it becomes aware, including breaches of unsecured protected health information as required at 45 CFR 164.410, and any security incident of which it becomes aware
- q. Business Associate agrees to indemnify the Covered Entity for the reasonable cost to notify the individuals whose information was the subject of the breach and for any cost or damages, including attorney fees or fines, incurred by Covered Entity as a result of the breach by Business Associate, including but not limited to any identity theft related prevention or monitoring costs.

- a. At the request of, and in the time and manner designated by the Covered Entity, make available Protected Health Information in a designated record set to the Covered Entity or the individual to whom such Protected Health Information relates or his or her authorized representative in order to meet a request by such individual under 45 CFR §164.524 and to satisfy the covered entity's obligations under 45 CFR §164.524.
- b. At the request of, and in the time and manner designated by the Covered Entity, make any amendment(s) to the Protected Health Information that the Covered Entity directs pursuant to 45 CFR §164.526, or take other measures as necessary to satisfy covered entity's obligations under 45 CFR §164.526.

3.4 Additional Responsibilities of the Covered Entity. The Covered Entity hereby agrees to do the following:

Notify the Business Associate, in writing, of any Protected Health Information that Covered Entity seeks to make available to an individual pursuant to 45 CFR §164.524 and the time, manner, and form in which the Business Associate shall provide such access, if Business Associate maintains Protected Health Information received from, or created or received by Business Associate on behalf of, Covered Entity, in a Designated Record Set.

- b. Notify the Business Associate, in writing, of any amendment(s) to the Protected Health Information in the possession of the Business Associate that the Business Associate shall make and inform the Business Associate of the time, form, and manner in which such amendment(s) shall be made.

4. REPRESENTATIONS AND WARRANTIES

Mutual Representations and Warranties of the Parties. Each Party represents and warrants to the other party that it is duly organized, validly existing, and in good standing under the laws of the jurisdiction in which it is organized or licensed, it has the full power to enter into this Agreement and to perform its obligations hereunder, and that the performance by it of its obligations under this Agreement have been duly authorized by all necessary corporate or other actions and will not violate any provision of any license, corporate charter or bylaws.

5. TERM AND TERMINATION

- 5.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect until all obligations of the Parties have been met, unless terminated as provided in this Section 4. In addition, certain provisions and requirements of this Agreement shall survive its expiration or other termination in accordance with Section 7.3 herein.
- 5.2 Termination by the Covered Entity. As provided for under 45 C.F.R. §164.504(e)(2)(iii), the Covered Entity may immediately terminate this Agreement and any related agreements if the Covered Entity makes the determination that the Business Associate has breached a material term of this Agreement. Alternatively, the Covered Entity may choose to: (i) provide the Business Associate with 30 days written notice of the existence of an alleged material breach; and (ii) afford the Business Associate an opportunity to cure said alleged material breach upon mutually agreeable terms. Nonetheless, in the event that mutually agreeable terms cannot be achieved within 30 days, Business Associate must cure said breach to the satisfaction of the Covered Entity within 30 days. Failure to cure in the manner set forth in this paragraph is grounds for the immediate termination of this Agreement.
- 5.3 Termination by Business Associate. If the Business Associate makes the determination that a material condition of performance has changed under the Contract or this Agreement, or that the Covered Entity has breached a material term of this Agreement, Business Associate may provide thirty (30) days notice of its intention to terminate this Agreement. Business Associate agrees, however, to cooperate with Covered Entity to find a mutually satisfactory resolution to the matter prior to terminating and further agrees that, notwithstanding this provision, it shall not terminate this Agreement so long as the Contract is in effect.
- 5.4 Automatic Termination. This Agreement will automatically terminate without any further action of the Parties upon the termination or expiration of the Contract.
- 5.5 Effect of Termination. Upon the event of termination pursuant to this Section 5, Business Associate agrees to return or destroy all Protected Health Information pursuant to 45 C.F.R.

§164.504(e)(2)(I), if it is feasible to do so. Prior to doing so, the Business Associate further agrees to recover any Protected Health Information in the possession of its subcontractors or agents. If the Business Associate determines that it is not feasible to return or destroy said Protected Health Information, the Business Associate will notify the Covered Entity in writing. Upon mutual agreement of the Parties that the return or destruction is not feasible, Business Associate further agrees to extend any and all protections, limitations and restrictions contained in this Agreement to the Business Associate's use and/or disclosure of any Protected Health Information retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the Protected Health Information infeasible. If it is infeasible for the Business Associate to obtain, from a subcontractor or agent any Protected Health Information in the possession of the subcontractor or agent, the Business Associate must provide a written explanation to the Covered Entity and require the subcontractors and agents to agree to extend any and all protections, limitations and restrictions contained in this Agreement to the subcontractors' and/or agents' use and/or disclosure of any Protected Health Information retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the Protected Health Information infeasible.

6. CONFIDENTIALITY

Confidentiality Obligations. In the course of performing under this Agreement, each Party may receive, be exposed to or acquire Confidential Information including but not limited to, all information, data, reports, records, summaries, tables and studies, whether written or oral, fixed in hard copy or contained in any computer data base or computer readable form, as well as any information identified as confidential ("Confidential Information") of the other Party. For purposes of this Agreement, "Confidential Information" shall not include Protected Health Information, the security of which is the subject of this Agreement and is provided for elsewhere. The Parties, including their employees, agents or representatives (a) shall not disclose to any third party the Confidential Information of the other Party except as otherwise permitted by this Agreement or as required by law, (b) only permit use of such Confidential Information by employees, agents and representatives having a need to know in connection with performance under this Agreement, and (c) advise each of their employees, agents, and representatives of their obligations to keep such Confidential Information confidential. - 7.4 Amendments; Waiver. This Agreement may not be modified, nor shall any provision hereof be waived or amended, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.
