Re: Family Resource Center Coordinator Lincoln Elementary – Salary Increase

It is my recommendation that Gina Byrd, Family Resource Center Coordinator at Lincoln Elementary have her base salary increased to \$49,002.80. This will match the amount that has been approved in her budget (Grant) for the 2019-20 school year. I have attached the proposed salary schedule for this position. Mrs. Byrd would be at 30+ years and would be at \$23.65 an hour. Her hourly rate is still lower than most FRYSC coordinators in NKY.
