- Several LES teachers are taking part in learning opportunities this summer. Including:
 - Kagan Strategies – Day #2
 - The Behavior Institute in Louisville
 - Art in Math – week in July
- Our 3rd Annual LES Last Day Picnic was a huge success! We had over 35 volunteers and donors support this fun day for our students, and we were thrilled that we were able to host the day outside again this year! This event is made possible by the support of the PTC and LES teachers and staff. WE LOVE LES!
- The SBDM council and school administration have been busy hiring new staff members for the 2019 – 2020 school year. We have a majority of the positions filled and are working to get newly opened positions filled with additional energetic teachers who want to join our team.
