Amending KRS Chapter 65

Amending certain provisions of Kentucky Revised Statutes Chapter 65 (the Interlocal Governmental Cooperation Act) will provide greater flexibility for governmental entities to act jointly in undertaking joint public projects and conducting joint operations.

- 1. Streamline the governing body of the joint agency. Especially helpful for large groups.**
- 2. Provide the agency to issue revenue bonds with terms of up to 40 years similar to its members.**
- 3. Provide for regionalization, joint projects, economic development opportunities, etc. without the need for returning to the Kentucky General Assembly for enabling legislation. For example, joint sanitary sewer operations, joint jail authorities, joint power projects, regional water treatment and distribution systems, joint purchasing services, joint emergency services, etc.**
