

MEMO

Memorandum

To: Henderson County Board of Education

From: Kasey Farmer Wolfe, DPP

Date: 07/15/2019

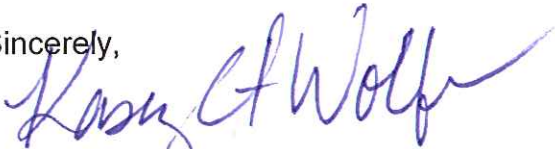

Subject: Addition of HCS Homeschool Academy \$100 refundable fee to the HCS fee schedule

HCS Homeschool Academy--

Parents may choose to homeschool their students instead of enrolling them in Henderson County Schools. These students could benefit from completing coursework through an online program. In an effort to meet the needs of all Henderson County parents/guardians and students, Henderson County Schools can offer the accredited online Odysseyware program to provide instruction to homeschool students.

Parents/Guardians and students will be required to sign a contract and submit a \$100 refundable deposit once accepted into the program. The refundable deposit will be returned at the end of the school year as long as the student completes all coursework with a passing grade of D/60 or above.

Sincerely,

Kasey Farmer Wolfe

Director of Pupil Personnel

Henderson County Schools
