Julian this is what I sent Butch Cope earlier in the year. Could you just look at it, and tell me what I need to do next time realignment is up for discussion? For a non-revenue sport this is hard for me to understand. Trust me this isn't for a competitive edge

Mr. Cope I was wondering about the golf alignment. Is there a way to appeal the new alignment?

I know most people are complaining about the 4 man vs 5 man. That's not the end of the world for me.

My problem lies with the travel our school will have to do with the new alignment.

We went from being with the Elizabethtown schools (Hardin County area) which all are within 40 miles or below from our high school to this:

Union Co miles from Grayson Co - 118

Hopkinsville miles from Grayson Co - 95

Christian Co miles from Grayson Co - 92

Henderson Co miles from Grayson Co - 90
