To whom it may concern:

The board and myself are both aware of the situation with the tax rates that were charged here in Bracken County for 2018. A mistake was made in my office and our sheriff charged 39.8 for both real estate and personal property instead of 39.8 for real estate and 39.9 for personal property. Please amend the tax rate that was approved in October 2018 by the Kentucky Board of Education to match the rate of 39.8 that was charged for both real estate and personal property.

Thank you,

Jeff Aulick
Superintendent
