RE: Career & Technical Ctr. Demolition
Bid Recommendation

Dear Mr. Cline:

Bids were received on July 29, 2019 at 10:00 am for the Career & Technical Center Demolition Project referenced above. Seven bids were received ranging from \$32,000 to \$195,650. A bid tab is attached for your reference.

The low bid of \$32,000 was received by Hamby Construction Inc. All submittal documents, including the 5% Bid Bond were in compliance with the bid specifications. As you are aware Hamby Construction has been a contractor on previous HCBOE projects, including the Tennis Courts at Central High School. I realize that there is a wide range of pricing on this project. I did talk to Mr. Hamby and he fully understands the scope and reaffirmed his understanding that this is a "lump sum" bid. Therefore, based upon their low bid, previous satisfactory work, and the project coming in within the project budget, I recommend that Hamby Construction's bid of \$32,000 be accepted.

If you have any questions, please contact me.

Respectively,

C. Frank Williams, PE, PLS
President
