

TERMS AND CONDITIONS (CONTINUED)

1. ACCEPTANCE. This Contract shall not be effective unless signed by the authorized TBS representative (Effective Date) within 30 days from the Customer's signing of this Contract.

2. Term. This Contract will remain in force for 60 months from the Effective Date (Renewal Date) and will then be automatically renewed for annual period(s) unless either party provides notice of termination not less than thirty (30) days prior to the Renewal Date. For each piece of equipment under this Contract there will be a Start Date & Start Meter. Service for each piece of equipment will be provided from the Start Date & Start Meter until this Contract is terminated or the equipment is withdrawn from the service. Customer may withdraw individual equipment by providing thirty (30) day written notice prior to the Renewal Date. Customer is responsible for all remaining Minimum Payments if Customer is in default or if equipment is withdrawn prior to Renewal Date.

3. SERVICE AVAILABILITY. TBS will provide service during TBS's normal service hours while the equipment is located within TBS's designated service area. Service outside TBS's designated area, if available and accepted by TBS is subject to a Trip Charge, which shall be based on reasonable travel expense for TBS's personnel. It is the responsibility of the Customer to notify TBS prior to relocating equipment.

The service to keep the equipment in or restore the equipment to good working order includes Emergency Service Calls and Periodic Maintenance (PM's). PM's may be performed during the course of an Emergency Service Call and are based upon the specific needs of the individual equipment as determined by TBS. Maintenance will include lubrication, adjustments and replacement of maintenance parts deemed necessary by TBS. Maintenance parts will normally be either new or equivalent to new in performance when installed in the equipment. Maintenance parts will be furnished on an exchange basis and the replaced parts become the property of TBS. Service provided under this Contract does not assure the uninterrupted operation of the equipment.

If the Customer requests service to be performed at a time outside TBS's normal service hours, there will be no additional charge for maintenance parts, however, the service, if available, will be furnished at TBS's applicable hourly rates and terms then in effect. Nothing herein shall be construed to require TBS to provide service outside its normal service hours and TBS hereby reserves the right to accept or reject such requests.

In the event there is a substantial increase in the cost of fuel, Customer agrees to pay a fuel surcharge. "Substantial" shall be defined as a 10% or more change over a six month period in the average national fuel cost as reported by the United States Energy Information Administration. The benchmark will be the national average fuel cost as reported by the United States Energy Information Administration on the Effective Date of this Agreement.

4. NETWORK INTEGRATION SUPPORT. Support of print controllers and print/scan enablers that permit the integration of the device onto a Customer's network is covered under the terms of a properly executed Connectivity & Security Options Agreement. The Connectivity & Security Options Agreement is an amendment to this contract and must be attached and/or on file for this optional service support.

5. INVOICING - LATE CHARGES. The first Minimum Payment is due upon receipt of an invoice. Thereafter, Minimum Payments will be due on the same date each month during the Term of this Contract whether or not Customer receives an invoice. Customer's obligation to pay the Minimum Payment is unconditional and is not subject to any reduction, set-off, defense, or counterclaim for any reason whatsoever. Excess Click Charge, if applicable, will be invoiced based on the billing period selected on the face of this contract.

If any part of a payment is not made by the Customer when due, Customer agrees to pay TBS a Late Charge of the higher of \$25 or two percent (2%) of each such late payment, but not more than permitted by law. Customer agrees to pay TBS the Late Charge not later than one (1) month following the date of the original Minimum Payment.

6. USAGE. In return for the Minimum Payment, Customer is entitled to use the Minimum Number of Units each billing period. If Customer uses more than the Minimum Number of Units in any billing period, Customer will pay an additional amount equal to the number of metered Units exceeding the agreed Minimum Included Units times the Excess Charge as shown on the face of this Contract. Customer acknowledges that in no event shall the Customer be entitled to any refund or rebate of the Minimum Payment if metered units result in less than the Minimum Number of Units in any billing period.

Your Toshiba system will come with two-way communication enabled. TBS will provide updates, system back ups, and meter collection automatically. Please advise if you do not wish to have this feature enabled. TBS may estimate the number of units used if requested Meter Readings are not received before a new billing period begins. TBS will adjust the estimated charge for Excess Units upon receipt of actual Meter Readings. Notwithstanding any adjustment, the Customer will never pay less than the Minimum Payment. Customer will provide meter readings via an automated website. TBS may charge a fee to recover the cost of meter collections if meters are not submitted through the automated website. TBS reserves the right to convert Customer to a flat fee, based upon the greater of a specific unit's historical average volume or the device type's midpoint manufacturer recommended volume, if meters are not made available for the device(s) after 3 consecutive billing periods.

Upon the first anniversary of the Effective Date and each subsequent anniversary date thereafter, TBS reserves the right to apply annual increases not to exceed fifteen (15%) percent of the products and services combined.

7. CONSUMABLE SUPPLIES. TBS agrees to furnish consumable supplies (ink, toner and toner collection containers) for the Term of the Contract, except as excluded in section 12 below. Customer is responsible for ordering supplies to assure ample time for delivery. TBS may charge you a supply freight fee to cover our cost of shipping supplies to you. TBS will determine the number of supplies to be shipped based on the Minimum Number of Units and Excess Units metered. If TBS determines that the Customer has used more than fifteen percent (15%) supplies than normal for the number of metered units, based on yields published by the manufacturer, Customer agrees to pay TBS's customary charges for all excess supplies. Current pricing per unit is based on TBS preferred vendor toner. If OEM is requested, current pricing per unit is subject to change.

All supplies delivered as part of this Contract remain the property of TBS until and unless they are consumed by the equipment in the performance of this Contract. Any supplies not consumed as specified and not surrendered to TBS upon expiration or termination of this Contract will be invoiced to the Customer at TBS's then current prices. Customer agrees to provide insurance coverage for supplies in case of loss under any circumstances. Notwithstanding the foregoing, the risk of loss of the consumable supplies shall be transferred from TBS to Customer if such consumable supplies are stored at Customer's facility.

8. TAXES. In addition to the charges due under this Contract, the Customer agrees to pay amounts equal to any taxes resulting from this Contract, or any activities hereunder, exclusive of taxes based upon net income.

9. INSTALLATION AND ACCESS TO EQUIPMENT. Customer agrees to provide adequate space, environment and appropriate electrical requirements including, if required, a dedicated 120 volt or 220 volt electrical line, as published in the Operator and Service Manuals for the operation and maintenance of the equipment. If TBS has installed a power filter/surge protector on the equipment, it must at all times remain continuously installed. If it is removed Customer agrees to purchase a replacement from TBS immediately. TBS shall have full and free access to the equipment to provide service thereon.

If persons other than TBS representatives install conversions, feature additions, accessories or perform service on equipment and as a result further repair by TBS is required, such repairs shall be made at TBS's applicable Time and Material rates and terms then in effect. If such additional repair is required, TBS may immediately withdraw the equipment from this Contract.

10. KEY OPERATOR - END-USER TRAINING. Customer agrees to designate a Key Operator for training on the use, applications and features of the equipment. The Key Operator will be responsible for normal Key Operator activities as detailed in the Operators Manual and for training additional end-users. If the Key Operator assignment changes Customer agrees to designate a new Key Operator immediately. TBS agrees to provide training for the designated Key Operator and to provide initial training for end-users on the use, applications and features of the equipment. Additional training requested by Customer after thirty (30) days from Installation will be at TBS normal hourly rates.

11. MOVES/ADDS/CHANGES. In order to guarantee on-time toner arrival and quality service response time, TBS must be notified in advance of any changes in the fleet. Prior approval from TBS is required before adding new devices to the fleet for support. Client agrees to be responsible for all costs associated with relocation. If the Equipment is moved to a new location, TBS shall have the right to charge a new rate for the new location and Client agrees to pay the difference between the old rate and the new rate.

12. EXCLUSIONS. Service under this Contract does not include:

(a) Furnishing paper, staples, replacement print heads, batteries, ribbons, media, periodic maintenance on thermal printers or any of the following:

Rates locked, staples included;

(b) Service of equipment if moved outside of TBS's designated service area; (c) Repair of damage or increase in service time caused by accident, misuse, negligence, abuse or disaster; (d) Service of accessories, attachments or click control devices other than those of the same manufacturer as the equipment; (e) Painting or refinishing of the equipment; (f) Making specification changes; (g) overhaul; when TBS determines an overhaul is necessary because normal repair and parts replacement cannot keep the equipment in satisfactory operating condition, TBS will submit a cost estimate to Customer and TBS will not commence work until Customer has approved cost; (h) Performing key operator functions as described in the operator manual; (i) Moving equipment, repair of damage or increase in service time caused by the use of the equipment for other than the ordinary use for which designed; (j) Repair of damage caused by electrical surges or lightning strikes, if equipment is connected to a TBS supplied power filter/surge protector repairs will be included; (k) Repair of damage or increase in service time caused by failure to continually provide a suitable installation environment as defined by the manufacturer, with all the facilities prescribed by TBS including, but not limited to, adequate space, electrical power, air conditioning or humidity control. (l) Repair of equipment that has been designated as obsolete by the manufacturer and genuine OEM parts are no longer available. (m) Repair of damage or increase of service time caused by Customer's use of media outside the specifications as described in the operator manual.

13. CUSTOMER OWNED EQUIPMENT. (a) TBS reserves the right to inspect the mechanical condition of all Customer Owned Equipment to be covered under this Agreement. Customer will be notified of Equipment found to require immediate repairs. Customer, at its option, may elect to have said Equipment repaired at the then current hourly service labor rate plus parts or elect to have the unit excluded from this Agreement. (b) To qualify for coverage under this Agreement each piece of Customer Owned Equipment must have an initial consumable supply level of at least 25% (twenty five percent) of its capacity. For any Equipment falling under that level, Customer will be responsible for replacing and/or purchasing the initial consumables required to restore the device to the 25% level. (c) Service of printers under this agreement will possibly include replacement parts that may have been used and/or reconditioned. Parts that have been replaced will remain the property of TBS. If Customer Owned Equipment becomes obsolete, or unserviceable, client is responsible for replacing the device, and TBS will remove obsolete device from current agreement.

14. INDEMNITY AND DISCLAIMER. TBS shall not be responsible for any injuries, damages, penalties, claims or losses including legal expenses incurred by Customer or any other person caused by the installation, selection, ownership, possession, maintenance, condition or use of the Equipment. Customer agrees to reimburse TBS for and to defend TBS against any claims for such losses, damages, penalties, claims, injuries or expenses. This indemnity shall continue even after this Contract has expired.

IN NO EVENT WILL TBS BE LIABLE FOR LOST PROFITS, CONSEQUENTIAL, EXPECTANCY OR INDIRECT DAMAGES EVEN IF TBS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

EXCEPT AS OTHERWISE SET FORTH HEREIN, TBS DOES NOT MAKE ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, REPRESENTATION OR WARRANTY ARISING OUT OF USAGE AND TRADE, COURSE OR DEALING OR COURSE OR PERFORMANCE. EXCEPT AS PROVIDED HEREIN, THE PARTS AND SERVICES ARE PROVIDED "AS IS."

15. GENERAL. Subject to the terms of the following paragraph, TBS may modify the terms and conditions of this Contract effective on the Renewal Date by providing the Customer with prior written notice.

Any such modification will apply unless the Customer withdraws the equipment affected by such modification from this Contract. Otherwise this Contract can only be modified by a written agreement duly signed by persons authorized to sign contracts on behalf of the Customer and of TBS. Variance from the terms and conditions of this Contract in any Customer order or other written modification will be of no effect.

The Customer represents that the Customer is the owner of the equipment under this Contract, or, if not the owner, is the lessee or renter of the equipment. Customer will execute a maintenance agreement for the equipment with a Toshiba authorized dealer or Customer will waive certain rights under Toshiba's manufacturer's warranty.

This Contract is not assignable, its right, duties and obligations may not be assigned or transferred by the Customer without the prior written consent of TBS. Any attempt to assign or transfer any of the rights, duties or obligations of this Contract without such consent is void.

TBS's service provided outside the scope of this Contract will be furnished at TBS's applicable time and material rates and terms then in effect.

TBS is not responsible for failure to render service due to causes beyond its control.

You hereby consent to receive electronic marketing communication on Toshiba products and services.

This Contract will be governed by the laws of the state where the Customer executed this Contract. If either party fails to comply with the terms and conditions of this Contract, the non-breaching party shall notify the breaching party in writing using certified mail to the address on the face of this Contract. The breaching party shall have thirty (30) days to cure any breach of this Contract prior to the non-breaching party taking the legal action. No action, regardless of form, arising out of this Contract may be brought by either party more than one year after the cause of action has arisen, or, in the case of non-payment, more than two years from the date of the last payment.

METER COLLECTION CHOICES:

Let your
printers and
copiers do
the reporting
for you.

What is Toshiba's Automated Meter Read Program (AMR)? As part of your service contract with TBS, you are required to report usage data for all your printers, copiers, and multifunction devices. With manual reporting, you must go to each device, record the serial numbers and meter readings, and submit this information via email, fax or phone. Toshiba's AMR program automatically gathers usage data for each device and sends it securely to TBS at scheduled intervals. The result is more accurate and timely reporting, fewer billing errors, and less busy work for you.

How much does Toshiba AMR cost me?

Nothing. Ever.

What information does AMR gather?

The automated meter reading system captures all required information for billing purposes; Machine model, Serial number, and usage information.

Is the transmission secure?

Yes. Data is completely secure.

Toshiba Business Solutions IT Team will work with you to set up equipment meter collections in the priority listed below:

1 Automated Meter Read (e-Bridge CloudConnect)

Your Toshiba system will be equipped with two-way communication capabilities. TBS will provide updates, system back ups, and meter collection automatically. Equipment MUST be connected to your network.

2 Automated Meter Read (On Site Software)

TBS will provide free AMR software that will automatically pull meter information and input into TBS billing system. Equipment MUST be connected to your network.

3 Meters Online (MOL)

An automatic meter request is sent to the End User directly from the TBS billing system.

End User collects the meter readings and goes to <http://meters.toshiba.com> and enters the meters online manually.

All meters submitted via online are electronically imported into the TBS billing with no manual entry or interaction by TBS.

TBS may charge a fee to recover the cost of meter collections if meters are not submitted through the automated website. TBS reserves the right to convert Customer to a flat fee, based upon the greater of a specific unit's historical average volume or the device type's midpoint manufacturer recommended volume, if meters are not made available for the device(s) after 3 consecutive billing periods.

ELECTRONIC INVOICING CHOICE:

Toshiba is committed to the environment through its worldwide green initiatives. One of the primary goals of Toshiba's green initiatives is environmental management through corporate social responsibility. One of TBS's Eco-Innovation initiatives is to convert to electronic invoicing whenever possible. Converting to electronic invoicing will enable TBS to decrease its consumption of environmental resources tremendously.

AMENDMENT # 1 TO AIMS MAINTENANCE CONTRACT

THIS AMENDMENT #1 TO THE AIMS MAINTENANCE CONTRACT MAS-3.0.0 ("Amendment"), is entered into upon the date of the last party to sign below ("Effective Date") and is by and between Boone County Board of Education ("Customer") having a location at 8330 US 42 Florence, KY 41042 and Toshiba Business Solutions, a division of Toshiba America Business Solutions, Inc. ("Toshiba" or "TBS") having a location at 523 Wellington Way, Suite 120, Lexington, KY 40513 (Customer and Toshiba collectively referred to as "Parties").

WHEREAS, the Parties desire to enter into the AIMS MAINTENANCE CONTRACT MAS-3.0.0 (the "Agreement" or "Contract"); and

WHEREAS, the Parties desire to amend and modify certain terms of the Agreement.

NOW, THEREFORE, in consideration of the mutual promises of the Parties contained herein and other good and valuable consideration, it is understood and agreed upon by the Parties as follows:

All capitalized terms not otherwise defined herein will have the same meanings as those set forth in the Agreement.

1. Section 2, Term, is hereby modified to read as follows:

"This Contract will remain in force for 60 months from the Effective Date (Renewal Date) and will then be automatically renewed for month-to-month period(s) unless either party provides notice of termination not less than thirty (30) days prior to the Renewal Date. For each piece of equipment under this Contract there will be a Start Date & Start Meter. Service for each piece of equipment will be provided from the Start Date & Start Meter until this Contract is terminated or the equipment is withdrawn from the service. Customer may withdraw individual equipment by providing thirty (30) day written notice prior to the Renewal Date. Customer is responsible for all remaining Minimum Payments if Customer is in default or if equipment is withdrawn prior to Renewal Date."

2. Section 14, Indemnity and Disclaimer, is hereby modified to read as follows:

"To the extent permissible by Kentucky law, TBS shall not be responsible for any injuries, damages, penalties, claims or losses including legal expenses incurred by Customer or any other person caused by the installation, selection, ownership, possession, maintenance, condition or use of the Equipment. Customer agrees to reimburse TBS for and to defend TBS against any claims for such losses, damages, penalties, claims, injuries or expenses. This indemnity shall continue even after this Contract has expired.

IN NO EVENT WILL TBS BE LIABLE FOR LOST PROFITS, CONSEQUENTIAL, EXPECTANCY OR INDIRECT DAMAGES EVEN IF TBS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

EXCEPT AS OTHERWISE SET FORTH HEREIN, TBS DOES NOT MAKE ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, REPRESENTATION OR WARRANTY ARISING OUT OF USAGE AND TRADE, COURSE OF DEALING OR COURSE OF PERFORMANCE. EXCEPT AS PROVIDED HEREIN, THE PARTS AND SERVICES ARE PROVIDED "AS IS."

3. A new Section is hereby inserted into the Contract as "Section 16, Non-Appropriation or Renewal" as follows:

"16. NON-APPROPRIATION OR RENEWAL: If either sufficient funds are not appropriated to make contracted payments or any other amounts due under this Agreement or (to the extent required by applicable law) this Agreement is not renewed, this Agreement shall terminate and Customer shall not be obligated to make contracted payments under the Agreement beyond the then-current fiscal year for which funds have been appropriated. Upon such an event, Customer shall, no later than the end of the fiscal year for which contracted payments have been appropriated, deliver possession of the Equipment to TBS. If Customer fails to deliver possession of the Equipment to TBS, the termination shall nevertheless be effective but Customer shall be responsible, to the extent permitted by law and legally available funds, for the payment of damages in an amount equal to the portion of contracted payments thereafter coming due that is attributable to the number of days after the termination during which Customer fails to deliver possession and for any other loss suffered by TBS as a result of Customer's failure to deliver possession as required. Customer shall notify TBS in writing within seven days after its failure to appropriate funds sufficient for the payment of the contracted payments or (to the extent required by applicable law) this Agreement is not renewed, but failure to provide such notice shall not operate to extend the Agreement term or result in any liability to Customer unless otherwise set forth herein."

Except as herein modified, the Parties hereby ratify and reaffirm their respective obligations under the Agreement. All other terms of the Agreement shall remain in full force and effect. If the terms of the Agreement in any way conflict with or are otherwise inconsistent with the terms of this Amendment, this Amendment shall govern and control.

This Amendment may be executed in counterparts, each of which will be deemed an original, but both of which together will constitute one and the same instrument. If this Amendment is executed in counterparts, no signatory will be bound until both the Parties named below have duly executed or caused to be duly executed a counterpart. Each party may rely upon the facsimile signature of the other and each party expressly agrees to the use and acceptance of signatures by digital or other electronic means. Parties agree that a digital or other electronic signature will be accorded the full legal force and effect of a handwritten signature under the law governing the

Agreement. Execution of this Amendment at different times and places by the Parties shall not affect the validity thereof.

IN WITNESS WHEREOF, each person signing below represents and warrants that he or she is fully authorized to execute and deliver this Amendment in the capacity set forth beneath his or her signature and the Parties hereto have executed this Amendment as of the Effective Date.
