# Amendments to 703 KAR 5:240

# 703 KAR 5:240, Amendments to Kentucky's Accountability Procedures and Guidelines

- ▶ This administrative regulation establishes administrative procedures and guidelines for Kentucky's assessment and accountability program.
- ▶ OSAA is amending the regulation to align to our new accountability regulation, along with state and federal requirements.

# Amendments

- ▶ Remove reference of old accountability regulation, 703 KAR 5:200 (recently repealed)
- ▶ Remove reference of 703 KAR 5:225 (recently amended by OCIS and does not apply to this regulation)
- ▶ Remove language around End of Course (EOC) Assessments. KY has moved to End of Span Assessments at Grades 10 and 11.

# Amendments cont.

- ▶ Add extraordinary circumstance as a method to exempt students from testing. Currently, the regulation only list medical exemptions.
- ▶ Amend the regulation to require that foreign exchange students be tested and included in accountability if they meet the 100 day requirement.
