**Simpson County Schools**

School: Simpson Elementary

Activity Fund: Library Media Center

Sponsor: Sam Northern

Date Submitted: July 29, 2019

What grade range will be involved in this activity? 1<sup>st</sup> – 3<sup>rd</sup>

State the one MAIN purpose of this fund raising activity (how will students benefit from participating in this activity?):

  X   Educational experience             School spirit             Community service

  X   Fund Raising             Other: \_\_\_\_\_

Describe Activity: I am seeking funding for a Google Expeditions kit so students can explore their community via nature photography, to enjoy the pleasures of an audiobook while on a stroll, and to use virtual reality apps that let them move around as they tour the world. The devices will allow students to take their learning anywhere they like. They can practice digital photography by going outside to capture the leaves as they change from one season to the next. While outside, students can identify the nutrients found in vegetables from a nearby garden using the latest apps.

Beneficiary of fund raising activity: I teach each of the school's 660 students at least once a week and all students will have the opportunity to benefit if this activity is successful. The Google Expeditions kit would be of use to students during Library class and for special classroom projects as well.

Place of Activity: donorschoose.org

Date(s) of Activity: August 2019-May 2020    Time(s) of Activity: On-Going (Web Based)
