

Base document incorporates changes recommended by KSBA as part of the 2019 Annual policy update, approved by the policy committee, and on front of the Board for action (July 16 1<sup>st</sup> reading; August 6, 2<sup>nd</sup> reading).

KRS 211.755 states in part “a mother may breast-feed her baby or express breast milk in any location, public or private, where the mother is otherwise authorized to be. Breast-feeding a child or expressing breast milk as part of breast-feeding shall not be considered an act of public indecency and shall not be considered indecent exposure, sexual conduct, lewd touching, or obscenity.... No person shall interfere with a mother breast-feeding her child in any location, public or private, where the mother is otherwise authorized to be.”

This amendment aligns Board Policy with state law.

## COMMUNITY RELATIONS

10.5

### **Visitors to the Schools**

The Board encourages parents, professional educators, and others who have legitimate educational interests pertaining to the District’s public school program to visit the schools. To ensure that school personnel are aware of visitors’ presence, visits to classrooms shall be scheduled in advance unless authorized by the Principal/designee and all visitors must report immediately to the Principal’s office upon entering the school and identify themselves, as well as declare their purposes for visiting.

#### **REGISTRANTS**

No registrant, as defined in KRS 17.500, nor any person residing outside of Kentucky who would be required to register under KRS 17.510 if the person resided in Kentucky, shall be on the clearly defined grounds of a District school, except with the advance written permission of the Principal or the Board that has been given after full disclosure of the person's status under KRS 17.510 as a registrant or sex offender from another state and all registrant information as required in KRS 17.500.

A registrant is defined as:

1. Any person eighteen (18) years of age or older at the time of the offense or any youthful offender, as defined in KRS 600.020, who has committed:
  - a. A sex crime; or
  - b. A criminal offense against a victim who is a minor; or
2. Any person required to register under KRS 17.510; or
3. Any sexually violent predator; or
4. Any person whose sexual offense has been diverted pursuant to KRS 533.250, until the diversionary period is successfully completed.

A registrant who is the parent/legal guardian, or the person designated by the parent/legal guardian to have access to a student, must request and receive prior permission from the Principal to come onto school grounds. The Principal shall determine whether the requesting registrant is permitted to come onto school grounds for the following reasons:

1. To pick up or drop off their child each day.
2. To pick up the child who is injured or ill.
3. To confer with school staff concerning academic, disciplinary or placement issues involving the student, including matters required by federal or state law.
4. To attend a school activity, including athletic practices and competition, in which the student is a participant.

**Visitors to the Schools****REGISTRANTS (CONTINUED)**

5. To vote when the school has been designated as a polling place.

Depending on the facts of the particular request, the Principal's response options may include, but are not be limited to the following:

- Requiring the registrant to provide additional information needed;
- Specifying check-in and check-out requirements;
- Requiring the registrant to be directly supervised by an individual designated by the Principal while on school grounds;
- Restricting the registrant to a designated location on school grounds;
- Limiting the time the registrant will be permitted to be on school grounds; and
- Denying the request to come onto school grounds.

The Principal shall notify the Superintendent/designee of each request from a registrant and the response made to the registrant. If questions arise about a request, the Principal shall consult with the Superintendent concerning requests from registrants, and the Superintendent may seek further advice from the Board Attorney.

For all other reasons and for all individuals making a request other than parent/legal guardian/designee, the Principal shall consult with the Superintendent as the executive agent of the Board before making a final determination.

**CONDUCT/PROHIBITION ON RECORDING**

All visitors to the schools must conduct themselves so as not to interfere with the daily operation of the school program.

Due to privacy concerns, and except for emergency situations, personally owned recording devices are not to be used to create video or audio recordings or to take pictures except with prior permission from the Principal/designee and the affected individual(s).

An exception may be made for events considered to be in the public arena (e.g. sporting events, academic competitions, or performances to which the general public is admitted) where the activity does not materially disrupt the event, prevent others from observing the event, or otherwise violate legal rights. School social events for students, activities sponsored by student clubs, and activities during the school day that are not open to the public are not considered to be in the public arena.

Such devices include, but are not limited to, personal cell phones and tablets.
