AMENDMENT NO. 1
JEFFERSON COUNTY BOARD OF EDUCATION
EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

BID ID: 7683
NAME OF BID: Commodity Processing for State Approved Processors
APPROVED BY THE BOARD: April 16, 2019

Tasty Brands, LLC informed staff they are unable to supply Item 33 at their bid price because they bid in error and Sysco Louisville cannot supply Item 45 at their bid price because it is not available from their supplier. Therefore, they wish to be relieved of their contractual obligations for same. I recommend these portions of their contracts be cancelled.

I further recommend Item 33 be considered non-bid until a new solicitation can be issued and awarded and Item 45 be considered non-bid for the remainder of the contractual period.
