Agenda Item

Date: August 12, 2019

Consent Item: Consider/Approve authorizing advertising for bids for the purpose of acquiring Off Site Fuel Delivery and a fuel management system.

Applicable Statute or Regulation: BOE Policy 01.11, KRS 45A.345-380

Budgetary Impact: The off-site fuel delivery and fuel management system has not been bid in several years and the market has more options available which could result in savings to the district.

Background and Major Policy Implications. The district currently has an Off Site Fuel Delivery and a fuel management system through Superfleet. Given the competitiveness now it is believed that re-bidding may create competition that could result in savings to the district.

Recommended Action: Approve as presented
